Hon. Jacob Kuechler

Commissioner Genl. Land Office

Dear Sir: Your Circular of the 13th inst. is just,
and in reply, I would say Ellis County is a separate
"Land District" and has been for some time.

I find the Office without map or instructions
from your Office in regard to P.E. Survey, or any other.

Field notes are neatly kept, but not correctly done.

There has not been any record kept of Completed Surveys

I wrote to you some time ago in regard to making
certain Surveys in the N.E. part of this County.

I am greatly in need of new map with full instructions
Yours Obt. Svt.
