I S. S. Evans County Surveyor of Orath County do hereby
 certify, that from actual measurement upon the ground,
 I find a space of 840 ins. between the R. A. Baker and
 H. Odell surveys, and the Benj Chisholm survey.
 and that the above map is a true representation of
 survey made by me, for a description of which reference
 is made to accompanying field notes

Given under my hand at Stephenville, this
 4th day of December A.D. 1871.
