

The vacancy between Thor Thompson and Isaac Aldridge is an error; Thompson's S.E. cor. and Aldridge N.E. cor. are identical calling for the same bearing & distance.

I J C Lowe County surveyor of Erath County
 do hereby certify that the above plat is a true and
 resutative of two surveys one made for J. H.
 Woodman as a home stead. Error in N and S line
 10 or 20 too long that I have corrected the record
 to 700 or being proper distance. on said Woodman
 survey. The plat is correct representation of the
 Peter Highs 148 acre survey. and the field notes of
 counter 22296

the same now on file in the Gen. L. O. are correct
as found upon the ground by survey of courses
and distances.

Given under my hand this 22^d
