Mr E. Von Rosenberg
Austin

Dear Sir

I am sorry of the delay in returning the enclosed, but there were several post-offices that I did not know the location of so had to write to them and hence the delay - I hope the enclosed is what you want. I have made or show some changes in water courses &c which I found by actual work - I give P.O.'s in red ink by number as in some places I could not get the name down without defacing something else -

Yours truly
W. Kean Johnstone

Call on me at any time, I can assist you in any way - will be glad to do so -
