Dear Sirs:

Your inquiry of July, 17, regarding
a tract of land on the Somervell-Erath County Line.

I find that the tract is really in Som-
ervell county. The county line is very indefinite
and its map location does not check on the ground.

There are no field notes or other
information on this tract. Probably the tract is
listed at Glenrose.

Sincerely,

Hal C. Doremus.

Hal C. Doremus.
County Surveyor, Erath Co.
