Office of County Surveyor
Bouham Tex. March 24th 1875
Com. Gen. Land Office

Sir yours
of 13th Received and in reply
will state, that the map in
this office is very imperfect
I have a private map which
I obtained from your office
Lithographed Sept. 1st 1871.

The Locations and Surveys
made in this County for the
last few years have not been
mapped.

With regard to the Rec-
ords; this County, it being
the oldest in the District
no transcripts I presume
are needed. at least as far
as my knowledge extends -

there is none wanting -

The Records are very much mutilated, and I have made applications to the Police Court to have them Transcribed and properly Indexed. which I presume they will order at their next sitting -

I have not since receiving the Office been required to make any Surveys for Location -

Yours Respectfully

F. M. German

Surveyor Fannin Co.
