

The State of Texas

County of Fisher

I S H Lyon County Surveyor of  
Fisher County Texas. do hereby

Certify, that the Western boundaries and Corners  
of the Austin and Williams Survey No 354 & 355 and  
of de la Garza Sur No 356. and of Rodriguez Sur No 357  
and Gallegos County School Land Leagues No  
359 & 360. were never run out and Established  
on the Ground, until in 1884. by Martin Duvall,  
then I believe, the County Surveyor of Jones Cou-  
nty, Texas, Long subsequent to Corrected Surveys of  
the Public English Pl. E.

That the Vellum Plat filed the Genl Land Office  
March. 1893. Fully certified to by Ex County Surveyor  
W C Broadbent, and by myself. Officially  
Does Correctly show. the Relative Positions. of these  
surveys. as Established and as held and occupied  
by. the Respective Owners. That I have lived in  
this County. since the Establishment of said Corners  
and Boundaries. (and Long Prior.) and have never  
heard the Corrections thereof in any way questioned.

This August the 30th 1893

S H Lyon County Surveyor of  
Fisher County Texas
