LAND DEPARTMENT.

San Antonio, Texas, June 13th, 1900.

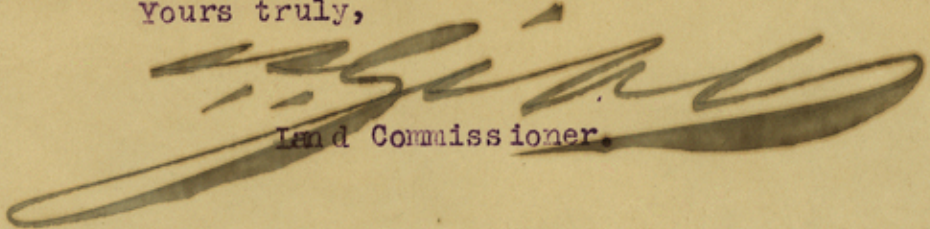

SUBJECT: Cundiff Locations, Foard County.

Mr. Chas. Rogan,

Dear Sir:-

We have had some correspondence in respect to the conflict of what are known as the Cundiff Locations with the lands originally granted to the H&TC Ry. Co. now owned by Mr. F. P. Olcott, situated in Foard and Knox Counties, and in order that the matter may be thoroughly understood by you and that you may know just what lands we desire to protest against the issuance of patents in consequence of the conflicts existing and the further fact that we propose to contest the validity of the Cundiff Locations, I beg to herewith hand you a list giving the same in full with the number of acres in conflict and all things else necessary to identify each tract of land. I also enclose you a Foard Co. map and have tinted the conflicts red, which you will find compare with the list attached hereto. Please let it be understood that in filing this list and map we also enter our protest against the issuance of any patents to any of the lands named or shown in same.

Yours truly,

Land Commissioner.
