Mr. Bascom Giles,  
Commissioner of the General Land Office,  
Austin, Texas

Dear Mr. Giles:

In connection with the Field Notes to the West one-half of survey No.48 and the North one-half of Survey No.58, H & T C Ry Co. Block B and the Northwest Quarter of survey 416 and all of survey 380 H & T C Ry Co. Block A which are hereto attached I wish to refer you to my report dated May 18, 1945 and PLAT in connection with corrected Field Notes covering surveys 338,340 and 342 H & T C Ry Co. Block A, Foard County, Texas.

2x. one No. 35  
Ross Corlett's connection with  
Comp.

On July 30th., 1945 Mr. Furd Halsell and myself called on you at your office and worked out the construction of the A.Frisby survey in accordance with my letter to you dated June 19, 1945 and using the construction agreed on at that time I begin my survey at the Northwest corner of the A.Frisby survey and the NE corner of the C. Knolle survey, thence I ran S 00°10'W along the East line of the said Knolle survey 1900 varas to its SE corner: Thence S 89°50'W along its South line as occupied, at 1344 varas I passed the NW corner of the R. Moores survey, in all 1900 varas to the SW corner of the Knolle survey: thence West along the South line of the John Shearer survey 444.0 varas to the Northeast corner of the Geo. House survey, thence South along the East line of the Geo. House survey 1000.0 varas to its SE corner, thence West 452.8 varas to the Northeast corner of survey No.415 H & T C Ry Co. Block A., thence I ran S 00°20'W, at 1679.8 varas I set a two inch pipe for the NE corner of survey No.416, at 1887.0 varas I set a 1 1/4 inch pipe in a concrete bldg. block for the NW corner of survey No.379, at 3787.8 varas I found a pile of stone and identified same as the original SE corner of survey No.416 H & T C Ry Co. Block A and the NE corner of survey No.48 H & T C Ry Co. Block B, thence I ran S 89°41'W 1900.8 varas to the SW corner of survey No.416 and set a pipe in a concrete bldg block, continuing N 89°52'W 1900.8 varas to the NE corner of survey No.60 as occupied, thence S 00°10'W along a fence line 1900.8 varas to a fence corner, thence S 00°08'W 1900.8 varas to a pile of stone at foot of ridge, bearing trees gone, thence S 89°21'W 1913.8 varas to the original NW corner of survey No.58 and found an old dead double Cedar bearing S 22°45'E 22.0 varas, this corner has been recognized as the original corner for many years.

From the above surveys I then compiled the Field Notes to the surveys hereto attached.

Yours very truly,

*Ross Corlett*
