

The State of Texas  
District of Titus County & Rufus Morton Deputy  
Surveyor Titus County Land District  
do hereby certify that the above and foregoing sketch gives  
the true location and connection of the surveys of James B.  
Canady, John Johnson, Caleb Jordan, Cannon Canady,  
and Matthew Canady, as appears from Transcrip record  
for Titus County Land District — Rufus Morton Deft.  
Surveyor Titus County L.D.

Explanation

The James B. Canady survey, takes the place of a  
survey once made for George Thomas, as called for  
in Patent No 40 Vol-13<sup>th</sup> issued to Holly Page a son  
of S. B. Wofford — You will find by comparison  
that the S. boundary line of the W. Pierce Survey is  
made considerable shorter by the calls of the John  
Johnson and Cannon Canady surveys, than by its  
own calls, there are also other differences in the calls  
of some of the surveys above sketched as you will  
find by comparison
