

State of Texas  
 County of Galveston } Field notes of a survey made to  
 establish the N. West and N. E. corners of survey N. 6  
 known as Bundicks survey or Virginia Point;

Beginning at the mouth of Highland  
 Bayou Thence with the general course of said  
 stream N 18° W 2500 Ws to the corner of Survey N. 5 on  
 Highland Bayou; Thence East 140 Ws, Thence North  
 1900 Ws with the line of N. 5 - set a corner a stake &  
 mound, Thence East 4110 Ws set a corner on an  
 lake.

The above plat is a just and true repre-  
 sentation of the Va Point league, the outer lines  
 are drawn in red ink and show the application  
 and improvement at Camels Point to be alleged  
 thru on survey N. 6 as called for by the description  
 of Boundaries in a deed from G. C. Bundick to  
 Archer Green & others, The Northern Boundary of  
 N. 6 is 772 Ws North of the North Boundary of  
 N. 7 of 1/3 of a league made for William Sebastian  
 embracing the improvement of James Camel  
 which is shown by a round Black spot and is 1120 Ws  
 in a direct line from the N. E. corner of N. 7 and 1892  
 Ws in a direct line from the N. E. corner of N. 6 as  
 shown on the above plat.

J. John O'Garra do hereby certify that the  
 foregoing plat and field notes is a correct represen-  
 tation of the Northern & Western Boundary of

of survey n<sup>o</sup> 6 situated on Galveston bay and  
that the limits and boundaries with the marks  
natural and artificial are truly described
