

Scale = 1 inch = 1500 fts. Variation: 14° 15' E. R.M. = ROCK MARK: \times = Fence

I hereby certify that the above foregoing map truly and correctly shows the position of Sec. No. 16, Blk. 36, Twp. 4 S., T. & P. Ry. Co., Glasscock County, Texas, together with its lines, boundaries and corners with regard to other surveys surrounding it. That the same was constructed from original corners found and identified by me on the east, north and west Blk lines as shown by this map.

Witness my hand and seal at Sterling City, Texas, this the 23rd day of March, 1929.

W. F. Keller
 Licensed State Land Surveyor.
