

In making the B. Dr. Coffey Survey 1847. about
six miles South of Newbrawfelds Cornal Co.
the following original Corners were found on the ground.

The South & East Corner of Survey No. 99.

" S.W. & S.E. Corner do. 21.

" N & E. Corner " 98.

" N & W. Corner of 255

" N & W. Corner of 94

" East Corner of 93

North Corner of 90. and in fact all

those old Corners, which had been made and marked
as such by Bearing trees, and all those Corners of
the adjoining Surveys which were established by
stakes in prairie, have been reestablished in
correspondence with the field notes of those Surveys.

All the surrounding Surveys as Survey No. 96.
104. 113. 95. 97. 100. 99. 259. 258. 257. 256. 98.

93. 90. 260. 261. No. 21. & 22. the Kimmet & Preker
Surveys &c. have been resurveyed in correspondence
with the original field notes, before the Survey
No. 477. could or had been made.

Newbrawfelds. November 11th 1862.
