Sir

I have the honor to acknowledge the receipt of your Circular letter of the 13th inst, calling attention to Sections 4 & 5 of "An Act supplementary to & amendatory of An Act to give each Corporate County of this State, its own County Surveyor, Map & records and defining the duties of Surveyors".

In reply I beg leave to report that this County is furnished with a late map, and with a record of field notes of all the Surveys made since the organization of the Land Office, with but few exceptions. There is no record of the Titled Surveys.

Very respectfully

A. M. Erskine
