

I George Spiller do hereby certify that  
as Deputy Surveyor of Jack Land Dist.  
I made the surveys, in name of J.  
Porter Block No. 2. Hall Co. and  
also those adjoining them in the South  
in name of 1<sup>st</sup> P. R. R. Co. Block No. 2.  
it was intended that the former should  
connect with the latter, That the begin-  
ning Cor., the S. E. Cor of J. Porter No.  
1, should be the N. E. Cor. of 1<sup>st</sup> P. R. R.  
Co. Survey No. 109. that the call for the  
N. W. Cor. of H. 2<sup>nd</sup> G. N. R. R. Co. Survey  
No. 61 Block No. 18. was made as it was  
considered identical with the sd. 1<sup>st</sup>  
P. R. R. Co. Cor. that the sd. call for the  
H. 2<sup>nd</sup> G. N. R. R. Co. Cor. should be abandoned  
if it has been shown not to have been  
the same Cor. as the 1<sup>st</sup> P. R. R. Co. Cor., as  
the sd. call was only made in case they  
were the same Cor., and the cor. for  
the H. 2<sup>nd</sup> G. N. R. R. Co. had never been  
made in the ground, whereas I made that of  
the 1<sup>st</sup> P. R. R. Co. in the ground, and  
intended the J. Porter Cor to be the  
same as, that of the 1<sup>st</sup> P. R. R. Co.  
and not of the H. 2<sup>nd</sup> G. N. R. R. Co. unless  
they were identical. In testimony whereof I hereto  
affix my signature this the 13<sup>th</sup> day of June 1884
