Snow Hole's Connections, from
Cor #97.

Dated Oct. 12, 1879.

counter 24984

The State of Texas
Jack Land District. I John W Hale a Deputy
Surveyor of Jack Land District.
do hereby certify that the description and field notes
as given in the corrected connecting line
of the William Richardson 640 acre Survey in
Haskell County as herein described is an Section
97 covering the fork of the Big Wichita River
and not an Section 81 as called for at the
Beginning of said connecting line. Section
81 is about 35 miles further up the Big
Wichita than 97 the fork at which the connecting
line of said Richardson 640 acre Survey was
begun. The corner described in the fork of
said Big Wichita on Section 97 is correctly
described as the Beginning of said connecting
line. The proper and correct connection from
said corner in said fork on Section 97 and
said corner is hereby correctly described
and should read as follows. Beginning at said
forks of Big Wichita River on Section 97
of Block of what is known as Sect. 97
