Sec. N. 25 ~~X~~

about 10 miles S 45° W
from Hardin

Hardin County

Filed Jan. 3/61

4

The locality of the Lucinda
Dykes league in regard to
surrounding surveys seems
to be correct, but the corner
of the whole block of survey
to Lucinda Dykes league (belonging
to W. W. Young) is erroneous.
John Dykes league (belonging to
C. S. Payne) does not connect
to Lucinda Dykes league,
but to a quarter league of
that name, for which there
is no title nor field notes.
