been made with a great deal of care, and are  
strictly correct. The R.R. lines are exactly  
represented, as also the place of Gov. P.B. Lubbock

See accompanying sketch in regard to survey  
of Hyley Smith. -

I hereby certify that sketches and  
surveys as made are correct as represented  
on opposite page. - The measurements were  
made under my own supervision by J.J. Gilchrist
