Protest. 28,

<sup>July</sup>  
filed June 25<sup>th</sup> 86

Harris Co

This protest claims that the  
man covered by J. Bay P. 26 and  
Chas Frolich P. 27, do not exist,  
but that Hb. Bay 3-120 and Aug.  
Frolich 3-136, adjoin the survey  
of Henry Razy.

Though Hb. Bay's survey calls to  
begin at the N.W. corner of Henry  
Razy's survey, it was made Hb. Bay  
and Razy's survey was made a  
year later, therefore the call of Bay  
for the N.W. corner of Razy refers  
to a prior survey not returned to  
this Office.

If the surveys of Hb. Bay and Hb.  
Razy are made to adjoin each other,  
there would be either a vacancy  
of Razy or the J. Luckworth survey  
would have to be extended beyond  
the limits called for.

Before this question can be settled  
the Surveyor should run out each tract  
according to field notes and report  
the result to this Office.
