11 The Survey herein
 12 set out is Francis
 13 work based on the
 14 line herein mentioned

18 The State of Texas }
 19 County of Haskell } I J. A. Fisher Surveyor in and for Haskell
 20 County Texas, do hereby certify that I did on the the 28th
 21 day of December 1892 begin in Francis line run by W. A. Jones
 22 of Baylor 2nd Geo Corn of Knox about 1st of Oct. 1892
 23 Thence, South at right angle to said line (needle reading 10° 15' E)
 24 at 21st vs a stake the N.E. Cor. No 6 H. T. B. R. Co. from which a dead
 25 mesqt marked = bro N 47° W. 38 vs at 6612 vs a point
 26 Thence S. 60° E. 5526 vs a point - Thence S. 19° 25' E. 385 vs to
 27 S.W. Corner of Ramon Sanchez Survey a mesqt stake with few small stones
 28 filed around same for corner.
 29 Thence East at 160 vs, 400 vs and 480 vs Millers Creek, continuing
 30 same course at 3640 vs bend of branch at 3640 vs same branch
 31 At the S.W. Cor. of Sanchez Sur. we find a dead mesqt marked = on the north
 32 side, N. 45° E. 50 vs from the corner, but to accept that we would
 33 cross Miller Creek only once, passing along on North bank of the
 34 bend for next calls in field notes, as the first and branch

Fr

calls can not at all be suited at any other place we accept
and establish the S.W. corner of Sanchez Survey by said
Creek Calls.

In testimony of the correctness of the above
and foregoing statement I herewith sign my official
signature this the 5th day of Jan 1893

J. A. Fisher

Surveyor Haskell County Texas
