

Survey as Office

Cleburne Tex. July 24. 1877

Now of Frost Area 920.

D. J. P.

I have the honor to report certain connections of surveys taken by me upon the ground in the western part of Johnson County on line of Hood County - for purpose of map correction

Viz - Run from the S. E. corner of W. B. Barnetts 160, prescription E. 255 varas and S. 900 varas to S. W. corner of h^o 8, and N. W. corner of h^o 7. S. P. R. R. section

2. Run from S. W. corner of h. o. 6. S. P. R. R. section 1. 168 varas and W. 498 varas to S. E. corner N. W. corner in Randles E. h. 1065 varas S. from his N. E. corner

3. From N. W. corner of h. o. 4 S. P. R. R. N. 1900 W and E. 1520 varas to the S. W. corner of Johnson Co. School Lands. 8. 281. 5-80 square etc - This survey is 150 varas short - from north to South

I certify to the above from knowledge derived from my own actual running upon the ground

Very Respy
W. O. L. S. L.
Manan Douglas
C. J. P. S. L.

According to the field notes of the contiguous surveys the connection between Barnetts S. E. cor. and the S. P. R. surveys as stated above is an impossibility and there must be an error somewhere
