

Mr Smeath

Sir - Enclosed you will
see a rough sketch of work made by Mr
Bodenhammer for S.D. Poole and a showing
of other work not sent to your office
also one old survey, from which I suppose
the survey 320 marked T.P. was connected.

This sketch is to make a showing so
that Mr. Parker can get his patent.

Yours very respectfully

J.H. Colla

P.S. 5" for the 100

- Sketches ~~2~~ File # 13

Houston Dis.

On the County line, between
Houston & Anderson Co's.

Received June 1849

Plotted on the old map of Houston Dis
JH Collard's sketch,

Commissioner of Gen'l
Jas Saylor Esqr
Houston
