El Paso, Sept 3 1900

Hon Chas Rogan,
 Land Commissioner
 Austin, Texas,

Dear Sir,

Enclosed please find my A/c for
 month ending Sept 3rd

We have finished the work N + West of Sierra
 Blanca. One party is now at work in the
 vacancy north of Blk 64. Top 7. The other party
 started on the 2nd inst. for Van Horn Wells
 near Blk. 65. Top 10.

Our one great trouble has been lack of
 water. On more than one occasion some of
 my men and animals have nearly perished
 for the want of water. You would hardly
 believe it if I were to tell you of the hardships
 my parties have been through. The weather
 is now becoming cooler and I am in
 hopes that we will have a better time from
 now on.

Yours very truly
 A.H. Parker,
