A.H. PARKER,  
COUNTY SURVEYOR.

El Paso, Nov-3<sup>d</sup> 1900

Hon. Cha<sup>s</sup> Rogau,  
Land Commissioner,  
Austin, Texas,

Enclosed please find my account for  
The month ending Nov. 3<sup>d</sup>

We are getting along very well, we have been having a little too  
much rain to be pleasant. The grass is very fine all over this  
country, better than we have had for many years.

I think that we can finish all the field work by  
or perhaps before Christmas,

My bills for provisions run from \$130. to \$145<sup>00</sup>  
per month, and horse feed about \$32<sup>00</sup> per month.

But I will stay with it until it is all finished.

Yours truly  
A.H. Parker.
