Scale 2000 Var to an inch

Hon. J. J. Groves
Commissioner L. O.
Austin & Texas

Surveyor office Greenville
- the Hunt County Texas
Sept 17th 1874

Dr Sir

I herewith hand you
Sketch map, of a portion of the S.W.
Corner of Hunt County, which is as
near correct, as I can make one, from
actual surveys, of W. Mason, Leay & Sabers,
James Cards 640 ac of J. J. Hunt 640 ac
G. S. Hunt 320 S. Williamson 160 a H. F. Chenoweth
1032 ac James Roads 1/3 of Leay - J. W. Marshall
160 W. E. H. Jones 320. A. Barker 80 ac and
other surveys adjoining thereto; -
1st I find James Cards 640 conflicting with
W. Mason Survey, ~~and~~ ~~to~~ 200 ac -
Circles N. W. corner plain witness trees standing
running south at 1630 was intersect Masons
Leay & L Survey at 1900' find his S W corner
witness trees standing. The distance from
counter 27170

McTeh

A.:

Mason's East Corner of line to be 1110 rods to where
J. Curds West line crosses the same;

2nd A. J. Chenoweth survey, does not conflict with L.
Williamson, on the ground,

3rd The distance from James Roads inside S.W. Corner,
and S.W. corner of Wier 640 a survey to the
South W. corner of Clement Bustillas Leeyes
& Luter survey is only, East 4242 rods &
North 1725 rods - as measured by competent
Chambers; all of which is respectfully
submitted - I remain your very respectful

John L. Hayter
County Surveyor
of Hunt County
Texas
