Dear Sir:-

I have just recently resurveyed twenty sections in Hutchinson Co. and am enclosing two copies of each to you for your examination and approval. When examined and approved will place the carbon copy on record at the County seat ~~or~~ in book form and receive them in that way.

These block Z surveys have been located from the original surveys in Block 47 H & T C R R Co. Surveys 1 and 2 Block I have been located along the east line of Block X O 2 and the N.W. corner of No. 2 at the N.E. corner of Survey No. 16 Block X O 2. In the resurvey of sections 22 to 26 Block 47 H & T C R R Co. I have located them with reference to the original West line of Survey No. 16 which is determined by the Original Maddox corner in Sec. 18 and all the excess E. & W. has been given to Sec. 25. *22 25 26*

I am enclosing blue print which will be of some assistance in examining them.

Let me have your report on this as soon as possible.

Respectfully,
