

J. J. GOODFELLOW

CONSULTING SURVEYOR AND
LICENSED STATE SURVEYOR

SAN ANGELO, TEXAS, June 28th 1927.

Hon. J. T. Robison,

Commissioner General Land Office,
Austin, Texas; Sir:

In compliance with the request made in your letter ^{to} Mr. E. F. Koelke, dated June 23rd, regarding re-survey and field notes of thirteen sections of land in Block 6, and one section in Block 7, in the name of The H & T. C. Ry. Co., in Irion County made for E. F. Koelke, in June 1927, I respectfully submit certified sketch of the work; with the following statement of the work on the ground:

I am making survey and preparing field notes of the following lands. I was furnished by Mr. J. J. Goodfellow, Licensed State Surveyor, a map showing certain lines run, and corners established by him, and also a description of certain corners established by Captain Turner in a re-survey made for the H & T. C. Ry. Co. of said lands; to-wit: Sections Nos. 2-6-12-14-18-20-22-24-32-34-42-48-254 in Block 6, and section No. 68 Block 7, in the name of the H & T. Ry. Co. in Irion

County, Texas:

Beginning at the N.E. corner of section No. 16, at a mound of stone as shown on said map furnished by Mr. J. J. Goodfellow, as an original corner; Thence South 1900 varas, find old mound of stone as described on said map as an original corner; Thence South 1927 varas, find an old mound of stone, perhaps the original S.W. corner of section 56. Block 10, S. P. R. R. Co.; Thence West 1900 varas, to a point 27 varas ^S of old mound of rock, made for the S.W. corner of section No. 1, and the S.E. corner of section No. 2, probably established by Captain Turner in his re-Survey for the H & T. C. Ry. Co. Beginning at said mound of large rocks; Thence North 1900 varas, establish the N.E. corner of said section No. 2, a mound of stone; continuing North, in all 3800 varas, find N.W. corner of section No. 16, as established by Mr. J. J. Goodfellow, a pile of stone 11 varas South of fence; I then ran East 1900 varas to the beginning;

Beginning at the S.E. corner of said section No. 2,

Thence West 1900 varas find old mound of stone,
made by Capt. Sumner for the S.W. corner of section
No. 2: bearings gone.

Thence Beginning at the S.W. corner of section
No. 6, Block 6, an old mound of stone in ravine, shown
on said map as ^{Sumner's} Baker's corner: Thence East 1900
varas, Sumner's S.E. corner of section No. 6, an old
stone mound 35 varas East of ravine: Thence
North 1900 varas, establish the N.E. corner of section
No. 6, and the S.W. corner of section No. 12: a mound
of stone: Thence East 1900 varas to the S.E. corner
of section No. 12, find small mound of stone:

Thence North, 1900 varas, establish the S.W. corner of
section No. 20, a mound of stone: Continuing North
in all, 3800 varas to the N.W. corner of section No. 20
make mound of stone 7 varas North S.E. corner of
old fence: Thence West, at 1900 varas, Sumner's
N.E. corner of section No. 22, a mound of stone at
corner of fence: at 3806 varas, Sumner's N.W. cor
of section No. 22 and the S.E. corner of section
26, an old mound of stone: Thence North:

Thence Beginning at the N.W. corner of of section No. 18, as established by Turner, and described on said map furnished me by J. J. Goodfellow, survey, at an old mound of stone 7 varas South and $\frac{1}{2}$ vara East of corner of old fence: Thence West 1900 varas to Turners N.W. corner of section No. 19, and N.E. corner of section No. 20, an old mound of stone: continuing West in all 3810 varas, to the N.W. corner of section No. 20, as heretofore mentioned:

I thus find an excess of 10 varas East and West in section No. 20: an excess of 6 varas East and West in sections Nos. 22 and 54, and an excess East and West in sections No. 26 and 42, of 18 varas:

For descriptions of sections No. 18-32 and 34 I used data furnished by J. J. Goodfellow, mostly in preparing field notes: The field notes of section No. 48, is signed by J. J. Goodfellow,

In surveying section 68, Block 7, H & T. C. Ry. Co I began at the N.W. corner thereof at an old mound of stone, as shown on the map furnished me by J. J. Goodfellow, said corner supposed to have

been established by Captain Turner in his re-survey for the H & T. Ry Co. Thence East 1900 varas, establish the N.E. corner of said section No. 68 in the South line of a new fence, 37 varas East of the S.W. corner thereof. Thence South 1900 varas, establish the S.E. corner of said section No. 68, a mound of stone 1900 varas West of the S.E. corner of section No. 69, of said Block, as measured from an old corner.

Witness my hand and official seal, this 27th day of June 1927.

S. H. Cole, Licensed Land Surveyor.

San Angelo, Texas,

State of Texas } J. J. Goodfellow, Licensed Land Surveyor do here by Certify that I have
County of Tarrant } surveyed the W. line of Block 10 S. P. R. R. Co, in Tarrant County, also the two tiers of
sections in Block 6 H & T. C. Ry Co, adjacent to the W. line of said Block 10, were surveyed by
me and that the corners indicated on map, attached, as Original corners in Block 10
S. P. R. R. Co. are true & correct, and that the data furnished Mr Cole, as referred
to in his report, above, was taken from the Maps prepared by Capt. Turner in
his work of re-surveying the lands for the H & T. C. Ry Co.
