 Topography

J. Wm Amstutz, County Surveyor of Jasper County do certify that this sketch is a true representation of the surveys
 made by me also all the old surveys as found them by actual survey & connected with the sketch represents to
 S.W. corner of the Esse Mc Gee League and found the west line to run N 20 W and the south line
 run N 70 E to the S.E. corner of the Amalca Mc Donald League and Wm Walker S.W. corner are the same
 I also crossed the same ground that the S. corner of Adams and that the South corner is 1452 vs 142 W
 S.W. corner of M-R Anglin Nos 171 - 178 are meant and I have returned Newfield holes for the
 corners 4399
