

State of Texas } Field Notes of a Survey of the
County of Jefferson } North boundary line of
John Blair's League of Land. Made under
an application recd on the 1st day of April 1861
from J Junker. Said application expressing that
reliable connections be made with surveys identified
and established having connection with said surveys.
In pursuance to the above I retrace and identify the
lines of T. D. Yocum's Survey by beginning at the
S. W. Corner so designated and where I find a pine
20 in diam b^{rg} N 57^o E. 18. Was dist marked S. D. and a
pine 12 in diam b^{rg} N 4^o E. 11 was dist no mark
and run N 7^o E. through pine woods distinctly
marked 550 was to prairie 2577 to a post in mound
in prairie. Thence N 8^o W. 500 was to timber distinctly
marked 500 was to where intersect an old line
running North from this but find no b^{rg} Trees
marked. Thence N 40^o W. along old line crossing
T. D. Bayan 2555 was to a point in a small stand
of growth of pines in a small prairie.
Thence N 8^o 50^o E. along a very old and distinctly
marked line 1540 was to the corner as described in
original field notes of Yocum & Choate's Surveys

an old line running North from this and one
running East which I do not survey being satisfied
it is the line of Choats and Petts Surveys. From
the N.E. cor of Joenums Survey I run South
1°10' East 1190 rods to Pine Island Bayou 5000 rods to
David Choats S.W. corner it also being J. D. Joenums
S.E. corner this point is in the main prairie.
Thence S 88.50' W. 1750 rods to the place of beginning
Joenums & Choats surveys being sufficiently established
I begin at D. Choats S.W. corner and run
N 88.50' E. along David Choats South line 5000 rods
to David Choats S.E. corner it also being Jas
Gerrishes N.E. corner. Thence S 85.50' W. along Gerrishes
North line 5000 rods to his N.W. corner from
this point Choats S.W. corner brs N 1.20' W 329 1/2
rods dist. Thence S 7° W. 981 rods to Sophia Deans
N.E. corner. Thence N 81' W. 5000 rods. West 1100 rods
to the N.W. corner of Sophia Deans Survey, it also
being the N. E. ^{corner} of Susana Hortons Survey.
Thence West along S Hortons North line at
intervals through young growth of Timber 3826
rods to her N.W. corner in prairie main
Timber brg North from this corner 250 rods
and West 300 rods. A line run west from
this point intersects Burkell Jones East line

915 was north of his S. E. Corner, this line I carefully retraced from a Stake for his N. E. corner from which a pine tree S 62° W 10 1/2 was dist and a black Oak tree S 46° W. 20 1/2 was dist. South through Timber (all of this line) 1693 was to where the connecting line of S Hortons Survey intersects it. From the N. W. corner of S Hortons Survey I run South along her west line 5008 was to S. Hortons North boundary line. Thence West 7542 was to S. Hortons N. W. corner. Thence South 1200 was established Mrs. Blairs N. E. corner on post in Mound in open prairie No Timber being within 1000 was distance of this corner. A line run South from this point 85 was thence West 483 was intersected John Vaness S. E. or the N. E. cor of John Blairs League as established by Jas Ingalls. Thence West at intervals through Young growth of Timber and Fall Body of Main Timber at Wolf Point to a post in Mound in small prairie for the N. W. corner of this Survey.

To test this Survey in connection with Jas Ingalls I look through the woods for the two De Haven Surveys having connections with Mrs Blairs Survey but could not find any lines marked which answered the description given of them in the Sketch from the Genl Land Office of those Surveys

I therefore give my certificate to this survey
made on the 11th day of April A.D. 1861
Eberle, Swinford, C. M. Cally
Jos. Peeto Jr. } Chairmen Wm. Duff Co

I Charles M. Cally, County Surveyor of Jefferson
County do hereby certify that the foregoing survey
was made according to law and that the
marks both natural and artificial are truly
described in the accompanying sketch map
and field notes given under my hand this
29th day May A.D. 1861 C. M. Cally
Wm. Duff Co

File 9.

Jefferson County

Filed June 10. 1861.

Attest my hand
of the County of
Jefferson and to surveyors
of the Island Boggs
in the N.W. corner of
the County.

9/25

Recd. June 10th 1861
Wm. Duff Co
