

8. There is no map on file in the Genl Land Office on which the Sebastian Pasques is plotted - It does not appear on the map because it cannot be located from its fieldnotes.
9. Do not know of any effort having been made to locate the Sebastian Pasques on the map ~~of~~ on file in the Genl Land Office.
10. The relative position of Sebastian Pasques League to the Sea & New Orleans RR Co sections N^o 158, 159, 160, 178 & 179 in Jefferson County and N^o 52, 53 & 78 in Chambers Co cannot be given as the position of said league is not known ^{on file in this office}.
11. There is no map of ~~all the grants in~~ ^{the} ~~separate~~ ^{separate} Counties show the grants issued by said Colony as far as they can be located, but there is no map on file on which the Sebastian Pasques league is represented. The Pasques title was not issued by the Emperors of said Colony, but by G. S. Taylor.
12. If the figures upon the surveys enumerated were made the maps and ^{in the Genl Land Office} records showed said lands, vacant, unappropriated ^{to be} ~~and~~ ^{but} the title being on file.
13. There was nothing on the maps to give notice of prior locations.

1X I have never been on the league in question - The location of Little Pine Island I know approximate ^{which are represented on the map} by from the calls of ~~other surveys~~ ^{for it}.

2X There are no english fieldnotes ^{not with} ~~and~~ ^{map or sketch} of the Sebastian Pasques on file in the Genl Land Office. Exhibit A. herby attached represents the surveys calling for Little Pine Island. Lucius Lopez calls

James Foggatt calls
