Dear Sir:

The Genl. Surveyor of this county informs me that you are getting out a new map of Kendall county, therefore wish to say that I have bought the lower $\frac{1}{2}$ of the H. Stafford $\frac{1}{3}$ league and am locating the town of Sisterdale on the north east quarter of the Harry Stafford $\frac{1}{3}$ league, on Sister Creek as enclosed sketch shows.

You will oblige me by making a note of this on the new map.

Yours truly
C. G. Vogel
