Hon J. J. Robison.

Austin, Texas,

Dear Sir - Herewith I am enclosing application of Mr J.R. Wright for a survey of probable vacancy lying between Sur. No. 4 A.S. Moore and Sur No. 1946. Geo Bedford. I am submitting an explanatory sketch showing what I did on the ground, after which I conclude that no vacancy exists. I am submitting this sketch and returning application in order to protect Mr Wright. When you shall have examined the sketch would like to get your opinion. If you disagree with me, should like to get instructions from you as to how to proceed.

By running the East line from the S.E. cor of same, on the N.E. bank of river, I established the N.E. cor. of Sur No. 35, Frances Arthur and the beginning cor of Sur No. 3. J.H. Gibern. In the absence of bearing trees at S.E. cor of No 35. I took the old recognized, marked & fenced line, for the said E line of No. 35. From its N.E. cor and S.E. cor of No 3. I ran out No 3. Thus.
