I, John M. Nicot
County Surveyor of Trimble Co.
do hereby certify that the following
surveys are in conflict with older
surveys and that the amount
free of conflict is truly stated
below as actually ascertained
by survey in the field and
shown on the accompanying
sketch.

In said sketch the original
corners found on the ground
and identified are marked in
red thus \circ . At those corners
marked thus + either the bearing
trees did not agree with the
description in the field notes
or only one tree was found.

I further certify that I
began at the S E cor of sur No 448
