cor. of S. & E. N. sur. scrip no. 128, on E.  
line of said Heath. (The field notes of this  
sur. calls to begin 658 sur. N. of the N.E. cor. of  
the Heath sur.)

This does not get to the S. & W. North  
line by about 128 sur.

The S. & W. surveys were run (course & distance)  
as follows:

Beginning at the S.W. cor. of the  
Jonathan Burleson sur.

Thence East 3934 sur. to a stone mkt. "S.B."  
the S.E. cor. of this sur.

Thence North, at 3934 sur. pass N.E. cor.  
of said Burleson, (all these are open corners),  
at 5700 sur. the N.W. cor. of sur. no. 3  
S. & W. Ry. Co.

The S. & W. surveys are the oldest  
work and the S. & E. N. surveys call to go  
to the N. line of said S. & W. but does not  
reach it by 128 sur. If you will

accept corrected field notes of said S. & S. N. surveys and issue new patents, let me know as soon as possible and I will attend to it.

If not, please advise me what to do in regard to the matter.

Very Respt.
