Hon. John J. Terrell
Austin Texas

Dear Sir please find inclosed a
General Sketch of Survey made by me
field notes of which I have returned to
your office I also hand you herewith
field notes of several connecting lines which
you will examine in connection with this
General Sketch

I have found in compiling this sketch
that the E-A. Gleghorn Surveys no. 778
Blk. C 41 are in error and will correct
same as soon as I can get a suggestion
from you I find that I will have to

eliminate the old Stone mound corner at
the S.W. cor. of Sur. no. 80041 for Gleghorn
and reduce the size of the surveys

you will see that the surveys in Blks 32 and
31 Sp. Q. V. does not run as same bearing as
the Blks west and the Blk. East of it does

Yours very truly
