

This sketch is erroneous see correction in red ink. The certificate and perhaps explanation is torn off, therefore connection between No 839 and No 835 as shown in red ink will hold. Nov. 23/85

This paper

When the above remarks were made I found the torn off part in form of field notes in file D. 1800 which are adopted as correct and std. See endorsement thereon The

Scale 2000 fts to inch

See D-1800

This SK was originally attached to f.n. of Sur 44 Nancy Irvine, D. 1800. but was detached & placed in Mason Co SK Files.
