6 as G.H. Miller's preemption -

7 further by a resurvey of the lines of the Homestead  
8 preemptions, upon the Davis creek, I found the James  
9 Bell's preemption to over run 268 ft. also from Notes  
10 furnished me by J.T. Alexander R.R. survey in feet.  
11 I find he made it 267 3/4 ft. from my notes given above  
12 you can see I made the same measurement. also  
13 the distance from N. corner sur No 4, D.C.S. land to S.W.  
14 corner No 48. as given by J.L. Spruells in sur No 72 M. Co.  
15 S. land: goes to show that the preemption all drop down  
16 further surveys No 256, 257, 258 & 261. I & G.D. R. & Co surveys  
17 were made from this last mentioned connection and  
18 are office work and were never surveyed upon the ground.
