

The above is a sketch sent to show  
 5<sup>th</sup> surveys recently made and of  
 the older surveys only such are placed  
 down as are sufficient to show  
 connection  
 those in yellow are recently made

I certify the above to be a  
 correct representation

Waco 20 April 1858

for The one crossed out the certificate  
 has been since withdrawn by  
 the owner denying the right to  
 the party locating the same so to do

*[Faint, mostly illegible handwritten text in cursive script, possibly a ledger or list.]*

*[Faint, mostly illegible handwritten text on the right side.]*

The above is a true and correct representation of surveys on Waspert  
 We the undersigned Surveyors certify that all those surveys above represented have been made by one of us at least at divers times and being well acquainted with such land marks as a prairie country can furnish have traced the older surveys at any subsequent time when making more recent surveys  
 Waco 20<sup>th</sup> April 1854 Mill McLean and S  
 J. B. Erato and D. S. D. M.

I H. E. Bradford Dist Surveyor of Millem land districts certify that I have good reason to believe the above to be a correct representation of surveys made by Erato and McLeamy at divers times heretofore and give faith and credit to this acts being Deputy Surveyors
