

Surveyors Office June 27th 1892.

To the Honorable Commissioners Court
at Menardville, Menard Co. Texas.

In accordance with
a request of the County Judge J. D. Scruggs
to run a connecting line between the Menard
County North East corner and the nearest
established Section corner in the County, I res-
pectfully submit the following report:

Beginning about 8 miles North east of Menard-
ville at a point 3726 vs. $S 88^{\circ} 50' E$ of the North West corner
of $N^{\circ} 47$ -Julius Hauptmann Survey for NW cor. of $N^{\circ} 83$ -
H. C. Nordhausen Survey, which point I had located by
a previous Survey, thence $S 88^{\circ} 50' E$ 55.89 vs. to the SW cor.
of $N^{\circ} 132$ -H. C. Tassner ^{found} an old rock md. from which a live Oak
stump 6 in dia. and 6 ft. high ^{4 in dia.} ^{10 in} was $N 82^{\circ} W$ 29 vs. and identified by Mr.
Hercourt in 1885, but as the distance in easting to
this point fell short 111 vs. I thought the proof of
identification doubtful for the purpose. I there-
for went four miles South and began at the
the NE cor. of $N^{\circ} 111$ Anselm Schmidt Survey from
which a L. O. 12" bar. $S 44^{\circ} E$ 22 vs.; thence $N 10^{\circ} E$ 45.85 vs to
the South line of Mc Cullach Co. 7586 vs to the said
SW cor. $N^{\circ} 132$. - Thence $N 160^{\circ} W$ vs and $W 25^{\circ} E$ vs arrived at
the NW cor. of Menard County.

 { Arthur Striegler.

NE 111

I Arthur Striegler, County Surveyor Menard
County, hereby certify that the foregoing is a true
report of the lines run and of the courses and
distances found by me by an actual survey on the
ground.

Arthur Striegler.
