

arrived the same more fully to be a fair selection of land
being chiefly covered by Post Oak and Hickory as timber and
having one or two little branches through it which affords
some tolerably good land

I send you the Certificates with the field notes
and will make out and send you the field notes for the
undivided balances of Henry A. Head & J. C. Rowell as soon
as practicable.

The Patents which you sent by last mail came
safely to hand. And I now request that in addition to the
former ones which I requested you to obtain you will add
Ezekiel Foster 1500 Acres headright located on Peachler
Montgomery County. I will send to Mr. Southward a
draft for the amt. ^{due me} by Mr. Willis who will go down
some time next week and if I can I will also send
some more field notes.

Yours

J. A. Harper
