

connecting line from N.E. Corner section
20 Block 2B. G. N. & N. R.R. Co Sherman Co
to A.W. Cor survey 46 in Block 47 N & P.
C. R.R. Co Moore County -

Beginning at North E, cor survey 20 Block 2B
G. N. & N. R.R. Co which is also N.W. corner 17
same block - It being pile stone, where
point of bluff Drs S 75 W 175 r. also
point of another Drs N 70 1/2 W about 1 1/4 miles
This corner is easily identified -

Thence West - Variation 12° 15' E -
at 500 r cross cold water creek (Rabbit's Ear etc)
at 644 r across -

at 7390 r large pile stone - which pile
stone I identified as the South west
corner of survey 19 in Block 2B -

the same being identified as follows -
Rock Mt. 4 ft base & 5 ft high from
which fork of creek Drs N 60 E 700 r, also
Indian monument Drs N 41 E about 1 mile
also point of bluff Drs S 62 E about 500 r
This stone pile and these bearings can
be identified - but the distance is
excessive by 490 varas -

Thence West
at 940 varas Lake creek
