Chas. H. Robbins,
County Surveyor.
Motley County.

Matador, Texas. 190 .

Thence Cr 1900.00. To Cr. W. Cor of sur Cr 26
Blk J.B. Thence N. 3419.00. set stone, set
by E.B. Ross 1891 for S.E. Cor of sur Cr 7. J
Pointvent - at 4279.00. stake put by me
for S.E. Cor of said Cr 7. at 6942.00. S. Bank
of River & Thence Cr 13 1/2 F 1535.00. a point on S
Bank of River Thence Cr 64. F. 422.00. stone
and put down by Ragsdale for Cr. E. Cor
of Cr 7 This give me the difrence between
my work and Ragsdale Your plot of
Mr Ragsdale work shows him and
Mr Seay to be together as to East and
west which is not correct on the ground
Mr Seay is 20.00. W. of me on the ground
Then to find the position of Blk Cr 20 ^{J.B.} S.
and W. I take up my line at Cr. E. Cor
of sur Cr 20. Blk J.B. Thence F 1900.00.
Stake 210.00. Cr of and 36 F of set stone set
by Seay for Cr. W. Cor of sur Cr 139 Blk
M. Beginning with my work again at
Cr. E. Cor of Cr 7. J Pointvent - Thence F

Chas. H. Robbins,

a point due S of

Matador, Texas.....190

4 miles S.E. Cor of Cro 11 Pointment.
Thence or to S Bank of River 908.00. W of
stone md put down by Ragodall for C
E Cor of said 11. again in Mr Ragodall
work of 171.00. in 4 miles this give me
The field note calls (distance) from Tom
Ball Creek which is 20900.00. to C E Cor
of said Cro 11. I take up my work again
at W.E. Cor of sur or 139 BK M. which
is a stone md. and identified by calls
Thence or 5510.00. Thence E 3325.00. S.W Cor
of L.L. Chandler sur. here I find my River
work to be 10.00. East and 3.00. North of this work
line. which make my work 10.00. E. and
3.00. N of field notes calls. Mr Ragodales
work at mouth of Tom Ball is not on
The ground as shown on his plot on the
ground he is below the mouth of Tom
Ball Creek. Your Records will show how
Cro 23. BK. H. calls to cross Tom Ball
Creek. Mr Ragodales is East of call
for East line of same.
