

State of Texas } Crossed Field Notes  
 County of Newton } the County line from B. Gusting  
 Survey to the R. M. Collins Sur-  
 vey etc I have actually resurveyed and measured the  
 distance between B. Gusting Survey & the County line and find  
 the distance to 200000. also find the B. Gusting Survey 250000 long  
 is more than represented on the County Map & record. The S.  
 Williams Survey North E and North W boundaries run farther north  
 by 200000 than represented on the map. The North corner of said survey is  
 850000 from the County line. The S. corner R. M. Collins Survey  
 is 500000 S 25° E from the County line. Survey No<sup>6</sup> does not conflict  
 with the McWilliams League Survey as represented on County Map but I have  
 surveyed & measured its S. E. and west boundaries and find them  
 as represented on Sketch map. The W. Williams League Survey  
 lies 600000 S. W. than represented on County Map. W. Williams  
 Survey North west bound beginning South to Survey No<sup>1</sup> on Sketch map  
 is 300000 long instead of 250000 as represented on county map & record.  
 N. W. corner of A. E. Doby farther north by 183000 than represented on  
 map & record. J. D. Post's Survey farther South and does not conflict  
 with the County line. Survey No<sup>34</sup> & 35 and 44 on Sketch map does not  
 conflict with the County line. J. Woods 1600000 Survey covered by Survey  
 No<sup>1</sup> vacated. J. A. McGee Survey covered by Survey No<sup>46</sup> on Sketch  
 map also was vacated also the 11 Donahoe abandoned. J. Weeks and  
 J. Smith Surveys covered by Survey No<sup>45</sup> and 46 on Sketch map  
 abandoned. The J. D. Post's Survey with its adjoining S. E. lies farther  
 West than represented on County map & record.

I W. J. Burnham District Surveyor of Newton County do  
 hereby certify that the foregoing corrections were made necessary  
 to law and that they are truly described in the foregoing field notes  
 and that they actually exist as are represented in the foregoing field  
 notes and on Sketch map. Given Under My hand at Newton
