Attn: Ben Thomson, Director Surveying Division

Dear Ben,

I am herewith submitting a corrected film of Nueces County Rolled Sketch No. 97, the shoreline of which was approved by the G.L.O. on January 31, 1984.

I have corrected the coordinates and the North arrow as per the accompanying "Addendum to Nueces County Rolled Sketch No. 97". I also added "NAD 1927" and "Map bearings based on recorded map of Laureles Farm Tracts" to the map.

Addendum to Nueces County Rolled Sketch No. 97

In the process of surveying the 181.74 acres contained within the report herein being submitted, it was found that an error had been made in the relationship between Map North and Grid North on the original submission of Nueces County Rolled Sketch No. 97.

On sketch No. 97 I show Map North to be 0° 12' 08" clockwise from Grid North but the correct Map North is actually 0° 49' 02" counter clockwise from Grid North. As a consequence the coordinates are probably incorrect.

I am going on vacation for three weeks but I will submit corrections to Sketch No. 97 as soon as I get back.
