

State of Texas & I Frank Cleveland Surveyor of Orange County do hereby certify that this is
 County of Orange and correct plat of surveys made by me for the Texas and New Orleans
 Rail Road and others and I also certify that the positions of all surveys laid down on
 this plat are correct as surveyed by me from marked corners on the ground

^{1*}
(not 190)

^{2*}
(and Not 17 East)
(as appears on my records)

The south west corner of Caleb Linscombs is North 1908 varas from a point on John D. Bland
 Brewers North line ^{1*} 140 varas East of Brewers North west corner. Francis Barzions South East corner
 is 1814 varas west of a point on Wm Clarkes West Boundary line 303 varas south of Clarkes
 North West corner. The East boundary line of Josiah Jordan is 934 varas west of Wm Clarkes
 West boundary line and the south west corner of Ellington Dickey is North ^{2*} 17¹/₂ west 211¹/₂ varas from
 the North West corner of John Bland

In testimony of the truth of the above I have hereunto set my hand officially
 this the 20th day of February 1874
