

I, Jas. J. Need hereby certify that this sketch truly & correctly represents the connections of the T. & N. O. R. R. Company's surveys with the H. Filley and other surveys herein shown as identified by me on the ground April 10th 1891.

James J. Need
Surveyor

ORANGE
Co.

Old corners identified mhd. ----- ◎
T. & N. O. R. R. Co's corners identified mhd. ◎

Statement of connecting lines run by J. T. Wood
in North West corner of Orange County.

Beginning at a point on East bank of
the Neches River opposite + East of the mouth
of a Creek called Village Creek (or Big Sandy)
I ran S. 76° E using variations 8° 15' E. 3900 vrs.
to the original North West corner of Starvey
Tilley survey n^o 1 whence a pine 15" dia.
mk'd & very old brs S 42° E 2 1/10 varas, which agrees
with the call for pine brg tree in original
field notes of said Tilley survey. The ash tree
called for here is not standing, but several small
ash trees are not more than 5 vrs. distant from
the corner. From this corner the plainly marked
& very old North line of the Tilley block of
surveys runs East and the plainly blazed & very
old West line of said block runs South.
From the N. W. corner of said Tilley survey n^o 1
I ran West 196 vrs + intersected plainly mk'd.
West line of Survey n^o 4 T + N. C. Ryb.

Thence South 68 vrs to the original North
corner of V. N. Starris survey identified by its old brg
trees. The N. W. + N. E. corners of the Co St.urst
survey n^o 15 were identified by their original brg
trees. From N. E. cor. of said St.urst survey n^o 15
I ran East at 1900 vrs. made search for N. E. cor.
of Alex Reid survey but failed to find it, at 2146
vrs made search for S. E. cor. of Jas. Ryan survey
but failed to find it 2283 vrs to a point. Thence
South 38 vrs to the original N. W. corner of survey
n^o 25 T + N. C. Ryb. identified by its original brg trees.
For the other connections shown on the ac-
companying sketch + the identification of the
corners of old surveys, I refer you to the sketch +
statement of Orange County work signed by me

(2)

Orange Co. St. File # 162

as State Surveyor, + filed in the General Land Office 1890.

When I was making official investigations in Orange County I failed to find any of the old corners or lines of the Tilly block of surveys, consequently I gave said block position in accordance with the calls in the original field notes of surveys nos 2 + 6 T + N. O Ry Co. and which calls corresponded with the position of said block on the Land Office maps of Orange County. The actual position of said Tilly block of surveys as identified by me lately, is shown on the accompanying sketch.

Surveys nos 1 to 6 inclusive T + N. O Ry Co. are in conflict with said block + the corrected field notes of said T + N. O Ry Co. surveys nos 1 to 6 made by me are erroneous - I herewith submit to you a memorandum of those portions of the above named T + N. O Ry Co. surveys which are not in conflict with older surveys.

no 1 T + N. O Ry Co Orange Co.

This survey is in two portions to wit:
Portion no 1 Beginning at N.W. cor. of J. C. Westcott.
Thence North 422 vrs to S. bdy of St. Tilly no 1
Thence East 270 vrs to N.W. corner " no 7
Thence South 422 vrs to N. bdy of J. C. Westcott.
Thence West 270 vrs to the beginning.
containing 20 acres.

Survey no 1 T + N. O Ry Co.

Portion no 2 -

Beginning at S.E. cor. of A. Rand survey on North line of Martin Palmer survey.
Thence North 592 vrs to N.E. cor. of A. Rand.
Thence West 375 vrs to E. Bdy of G. Collier survey.
Thence North 540 vrs to S.W. cor. of J. C. Westcott.
