Variation 10° E

I hereby certify that, by actual admeas-
-urement on the ground, I find the
following to be the situation of the Preemption
survey in the name of John Turner and E. C. Brown's survey
with which it is reported to conflict - situated about 9 miles
S 55 W from the Town of Weatherford. The N. E. corner
of said John Turner's 160 acres survey is 16000 N, and
10050 W from the most Western corner of the said
E. C. Brown's 160 acres Preemption survey, as represented
in the foregoing sketch. Given under my hand at
Weatherford, this 3rd day of August 1861
