Mr. A. N. Lea,  
County Surveyor  
Fort Stockton, Texas

Dear Sir:

On July 25, 1929 Mr. Frank F. Friend, licensed land surveyor, brought to this department field notes of surveys in University blocks 16-17-18-19 and 20, Pecos County, with the request that they be held up until approved.

He advised me that at the same time he placed in your office duplicate copies, they comprising a book entitled "UT Volume 1". This is to advise you that the field notes, which Mr. Friend brought to this office, are this day being returned to him in person for the reason that they are not approved. I shall therefore, request that you endorse the duplicate copies, that is, those field notes in UT Vol 1, as being not approved, which has the effect of cancelling them. When you have done this, please so advise me.

Very truly yours,

J. H. Walker  
Commissioner
