I believe in part on a certain
part of the survey near Sheffield
near the town of Sheffield
near the town of Sheffield
near the town of Sheffield

PLAT
of a Survey of a Tract of unsurveyed
Public Free School Land
in Pecos Co. Texas
from actual survey, September 1918
by R. S. Dod
State Surveyor.

I believe that the survey of land on which
the foregoing map is shown is correct and that all
lines, corners, distances and bearings are
correctly shown therein as found by actual
survey on the ground made by me in the field and
observed to be true by September 1918
R. S. Dod
State Surveyor
