SUPPLEMENTAL SURVEY REPORT
PECOS COUNTY, TEXAS

Dear Sir:

At the request of your Office I have previously submitted a report on an Area together with Map titled "Map showing re-survey of T.C.R.R. Co. Block F, H.E. & W.T.R.R. Co. Surveys, and Parts of H. & G.N.R.R.Co. Blocks 11 and 12, Pecos County, Texas", and said report being dated February 23, 1967. This matter was also discussed personally in a visit between myself and several of your personnel in the General Land Office. During this visit we found Certificate of approval by former Commissioner of the General Land Office, on the front page of a Volume of University Lands Field Notes, which further supported our construction of Surveys in this Area.

In order to allay any future conflict, I have talked with other prior Surveyors in the Area and we are in accord in our thinking on the construction of this Area and on holding to Frank F. Friends Line as shown by my Map above mentioned and on file in your Office and also on file in Book 28, Page 3 of the Survey Records of Pecos County, Texas.

Respectfully submitted this 28th day of May, 1968.
